RESPECT SONG

Verse 1

You’ve gotta respect all your brothers and your sisters when you meet them.
Even if they’re different, shouldn’t change the way you treat them.
We get along if we all have a little respect.
Respect.  x2

Verse 2
It’s one thing to have your own opinion.
To speak your mind and tell how you feel.
It’s just as important to listen to another, cause they might have a new truth to reveal
